

# University Admission Pathways South Australia

Your ATAR is just ONE way you can get into your preferred university course

## Flinders University

### Year 12 Grades Entry

By using three of your best Year 12 grades, you can gain a place in your course of choice.

### uniTEST

If you're in Year 12, uniTEST is available to enhance your chances of getting into Flinders. We will select students based on Year 12 results **and** uniTEST performance.

### School Recommendation Program

Flinders may consider your school's recommendation about your academic performance as part of your admission into Flinders.

### Indigenous Admission Scheme

The IAS provides an alternative entry pathway for Aboriginal and Torres Strait Islander people.

### Elite Athlete Pathway

Flinders dedicated Elite Athletes Admissions Scheme provides a pathway to university study for elite sportspeople. If you've officially represented your school or state at a national level competition, we'll consider your school's recommendation about your academic potential when you apply.

### Assessment Centre Entry Pathway

Students from selected schools are invited to apply via this pathway. It considers assessment methodologies for admission to higher education as an alternative to the ATAR. You will be required to attend an assessment centre to demonstrate the characteristics and aptitude for study at university.

### Flinders Foundation Studies Program

This no-cost course gives students the foundation to be successful at university, and upon completion students gain guaranteed entry to a range of courses, as well as a competitive entry rank to the majority of other courses. Foundation studies programs range from 5 weeks to 7 months.

### Portfolio Entry Pathway

Students from selected schools are invited to apply via this pathway. It considers assessment methodologies for admission to higher education as an alternative to the ATAR. You will be required to submit a portfolio.

## University of Adelaide

### University Preparatory Program

The University Preparatory Program (UPP) is a FREE\* one year program for anyone who wants to get ready to enter university. It has been designed for those who have never been to university or have not studied for a long period of time. Best of all, there are no prerequisites for entry into the UPP.

### Work and life experience

Work and life experience includes a combination of factors that demonstrate your readiness for higher education, including professional and/or work experience (including in the **Australian Defence Force**), interviews, and the **Special Tertiary Admissions Test (STAT)**.

### Vocational Education and Training (VET) study

If you have already completed at least six months of a recognised higher education program elsewhere or completed University Foundation studies or a bridging or enabling program - you can use these qualifications to enter the University.

### Aboriginal and Torres Strait Islander pathways

If you identify as an Indigenous Australian, we have some excellent additional programs designed to help you study with us. Check out our Wirritu Yarluy University Preparatory Program and The Aboriginal and Torres Strait Islander Access Pathway.

### Recent Secondary Education

If you have qualified for the South Australian Certificate of Education (SACE) or hold an equivalent recent Year 12 qualification (including the International Baccalaureate Diploma), and achieve a competitive selection rank, you can use this as a pathway into the University.
